The new GÉANT Strategy

Mark van de Sanden, GÉANT

EUDAT Conference, Prague
26 November 2026

Public

Co-funded by
the European Union

GÉANT

Powering Knowledge
for Europe

The GÉANT Association provides and advances the digital infrastructure and services required to accelerate research, education, and innovation for a secure and competitive Europe.

3 Strategic Priorities

Strengthen both our physical and human networks

Create scalable and innovative digital services

Build a sustainable financial model

GÉANT

Thank you,

any questions?
