

D2.4: Report on Governance Model

WP:

WP2

Publication Date:

24/10/2016

A report on Governance Models for the future EUDAT CDI covering the identified risks and benefits from a range of organisational options which recommends a final governance model, legal structure and underlying governance structure to ensure sustainability beyond the current EUDAT 2020 project.

Contract:

EUDAT2020 (2015-2018)
