

EUDAT Conference "Putting the EOSC vision into practice" - Programme

Monday 22 January 2018

Co-located Events

13:00 - 14:00 Welcome lunch

14:00 - 16:00 [Sensitive Data Workshop \(Part I\)](#) [Semantic Services in EOSC \(Part I\)](#) [Array Databases for Research Communities](#)

16:00 - 16:30 Coffee & Networking

16:30 - 18:00 [Sensitive Data Workshop \(Part I\)](#) [Semantic Services in EOSC \(Part I\)](#) [Array Databases for Research Communities](#)

Tuesday 23 January 2018

Co-located Events

09:00 - 10:30 [Sensitive Data Workshop \(Part II\)](#) [Semantic Services in EOSC \(Part II\)](#) [Research data management: interoperability, collaboration, and the research library role](#) [SeaDataCloud workshop](#) EUDAT International Advisory Board (closed meeting)

10:30 - 11:00 Coffee & Networking

11:00 - 12:30 [Sensitive Data Workshop \(Part II\)](#) [Semantic Services in EOSC \(Part II\)](#) [Research data management: interoperability, collaboration, and the research library role](#) [SeaDataCloud workshop](#) EUDAT International Advisory Board (closed meeting)

12:30 - 13:30 Lunch Break

EUDAT Conference starts (Room: Guimarães)

13:30 - 13:45 **EUDAT and the European Open Science Cloud Ecosystem** - Kimmo Koski, Managing Director at CSC & EUDAT Coordinator ([Presentation](#))

Plenary Session 1: The European Open Science Cloud - Putting the Vision into Practice
 13.45 - 14.15: **The European Open Science Cloud: from principle to practical implementation** - Augusto Burgueño Arjona, Head of Unit "eInfrastructure", Directorate General for Communications Networks, Content and Technology (DG CONNECT) ([Presentation](#))

14.15 - 14.45: **EOSC-Hub: first steps towards realising EOSC vision** - Per Öster, EOSC-hub Project Director ([Presentation](#))

13:45 - 15:30 14.45 - 15.30: **Interactive panel discussion**
 Moderator: Annabel Grant, Senior Stakeholder Engagement Manager, GÉANT
 Panel members:

- Augusto Burgueño Arjona, Head of Unit "eInfrastructure", DG CONNECT, European Commission
- Françoise Genova, Researcher, Centre de Données astronomiques de Strasbourg (CDS)
- Per Öster, Director, CSC & EOSC-hub Project Director
- Grazia Pavoncello, ministerial representative, Italian Ministry of Education, University and Research (MIUR)
- Alex Vermeulen, Carbon Portal Director, ICOS ERIC

15:30 - 16:00 Coffee & Networking

Plenary Session 2: The European Data Infrastructure (EDI) and the Data Challenge

16.00 - 16.45: **SKA Regional Science Centers: A Platform for Global Astronomy** - Michael Wise, Head of Astronomy, ASTRON - the Netherlands Institute for Radio Astronomy ([Presentation](#))

16.45 - 17.30: **Progress and latest updates on the EDI initiative** - Serge Bogaerts, Managing Director, PRACE ([Presentation](#))

16:00 - 18:15 17.30 - 18.15: **Interactive panel discussion**
 Moderator: Rob Baxter, Software Development Group Manager, EPCC, University of Edinburgh ([Presentation](#))

Panel members:

- Serge Bogaerts, Managing Director, PRACE
- Giuseppe Fiameni, Leader of the “Middleware for HPC services” group of the SuperComputing, Applications and Innovation department at CINECA
- Kimmo Koski, Managing Director at CSC & EUDAT Coordinator
- Sinead Ryan, Chair of Theoretical High Energy Physics, School of Mathematics, Trinity College Dublin
- Michael Wise, Head of Astronomy, ASTRON - the Netherlands Institute for Radio Astronomy

18:15 - 19:00 **Poster session 1 minute-madness & launch of poster competition ([Presentation](#))**
 Poster applicants will be given the opportunity to present their poster in one minute.

19:00 - 20:30 Poster & Demo Sessions & Networking Cocktail inviting all co-located events

Wednesday 24 January 2018 | TOPIC: Researchers & research communities: Benefits, Opportunities and Open Issues

EUDAT Conference

09:00 - 12:30	EUDAT what's next?: CDI, EOSC & EDI	EUDAT Collaborative Data Infrastructure services	Cross e-Infrastructure collaborations	The impact of the policy framework on EOSC
09:00 - 10:30	EUDAT CDI: Moving Forward & Next Steps	CDI services: building blocks and the way forward	Coupling data and HPC resources together to enable large scientific projects: the EUDAT-PRACE case	The Policy Framework: GDPR and All That
10:30 - 11:00	Coffee & Networking			
11:00 - 12:30	Research Infrastructures & the CDI	An in depth look at the future CDI services	Making data and cloud resources interoperable using EUDAT and EGI services	Restricted Data in the EOSC: What Are We Going to Do?
12:30 - 13:30	Lunch Break			
13:30 - 17:00	EOSC: what's in it for researchers & service providers?	Harvesting results from the EUDAT Community: Demonstrators & Pilots	Cross e-Infrastructure collaborations	User Engagement & Training

13:30 - 15:00	EOSC-Hub & OpenAIRE Advance	Communities adoption of EUDAT services and Lessons Learned	Computing e-infrastructure with extreme large datasets	Training Experiences across Research Infrastructures
15:00 - 15:30	Coffee & Networking			
15:30 - 17:00	EOSC Principles of Engagement	Communities adoption of EUDAT services and Lessons Learned	Collaboration with SMEs and commercial stakeholders	Building a Trainers Community of Practice
17:00 - 17:30	Plenary Session 3: Wrap-up from the parallel sessions			
17:45 - 19:00	EUDAT2020 Council (closed meeting)			
evening	Social Event (off-site)			

Thursday 25 January 2018

Co-located Events

09:00 - 10:30	ENVRI Workshop	Federated AAI Workshop	Piloting EOSC Governance Framework	EOSC as a 'skills commons' providing FAIR training for FAIR data stewardship
10:30 - 11:00	Coffee & Networking			
11:00 - 13:00	ENVRI Workshop	Federated AAI Workshop	Piloting EOSC Governance Framework	EOSC as a 'skills commons' providing FAIR training for FAIR data stewardship
