SPECIAL EDITION

## The countdown to the <u>Digital Infrastructures for Research</u> has officially started and you only have 5 days left to submit your abstract!

We would like to invite all of you to actively participate in the programme by applying to the call for sessions/presentations/demos/posters. You can choose a topic among the following areas:

- Area 1: Interoperability
- Area 2: Data science and skills
- Area 3: Impact evaluation and metrics
- · Area 4: Security, trust and identity
- Area 5: The EOSC & EDI building blocks
- Area 6: Business models, sustainability and policies

We also remind you to register to the event as soon as possible as seats are limited! (Register here)

**EUDAT**, together with <u>RDA Europe</u>, <u>PRACE</u>, <u>EGI</u>, <u>OpenAIRE</u> and <u>GÉANT</u>, is looking forward to an incredible 2-day event packed with policies, processes, best practices, data and services that are key to the European Open Science Cloud and European Data Infrastructure.

The event will take place in the heart of the European Union in **Brussels (Belgium) on 30th November and 1st December 2017**, and it will be colocated with the first <u>EOSCpilot Stakeholder event</u> (28-29 November 2017).

See call for abstracts for all details

Together for Open Science: EUDAT looks forward to meeting you at DI4R 2017!
