

DI4R 2017 programme is now available: early bird registration closes on 3 November 2017. Register now!

Research Data Services, Expertise & Technology Solutions

OCTOBER 2017

With one month left to go, Brussels is getting ready to host the second edition of the [Digital Infrastructures for Research](#) event (30 November-1 December 2017)!

The [full conference programme](#) has now been released and it counts over 20 sessions, 2 plenaries, and of course plenty of opportunities to network and enjoy Brussels.

Meet EUDAT at DI4R 2017

During the 2-day event, EUDAT will engage you in presentations, workshops and constructive discussions covering the topics of interoperability, security, trust, business models, sustainability, policies, the EOSC and the EDI.

[Click here](#) to find all **EUDAT presentations at DI4R2017** and join us in Brussels:
early bird rate now available until 3 November 2017!

...and as January is just round the corner, save your seat for the upcoming EUDAT Conference!

Putting the EOSC vision into practice

From 22 to 25 January 2018, Porto (Portugal) will host the EUDAT Conference, focusing on sharing & preserving research data across disciplines and borders.

Check out the programme ([available here](#)) and make sure you **register by 17 November 2017 to get your early rate discount!**

 EUDAT receives funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 654065. [Legal Notice](#) [Unsubscribe](#) [Subscribe](#)
