OpenAIRE Webinar - Results H2020 DMP template survey

In Summer 2017, **OpenAIRE** and the **FAIR data expert group** ran a survey on the European Commission's approach to **Data Management Plans** and the **FAIR guidelines** on data management.

On 11 January 2018 (2pm-3pm), OpenAIRE and the FAIR data expert group will hold a joint webinar. In this occasion, Ellen Leenarts (DANS-KNAW) and Sarah Jones (DCC) will present results:

- The experiences of researchers and reviewers with the DMP template and the guidelines on FAIR data management
- The possible obstacles and unclarities in the guidelines
- Which improvements can be made.

This webinar is highly relevant for research support staff, data librarians, researchers, project leaders, research funders and all others who write or review data management plans, or support others to do so.

To join this webinar, please register through the [registration form](#). Further information can be found [here](#).
