EUDAT CDI - Moving Forward & Next Steps

Let's meet at: 09:00 - 10:30, Room: Sintra | 24 Jan 2018

Session Chair: Damien Lecarpentier, CSC

Objectives:

Get an overview and discuss the recent organisational development of the EUDAT Collaborative Data Infrastructure.

More on the session:

The session will summarise the recent developments of EUDAT in its effort to move from an EC project to a sustainable collaboration between partnering organisations, through the EUDAT CDI Collaboration Agreement. It will also inform organisations interested to engage with the CDI about the various opportunities to do so, including how to formally join the CDI. The session will be interactive and leave significant room for questions and discussions.

Agenda:

9:00 - 9:30 EUDAT: from an EC project to a sustainable Collaborative Data Infrastructure, Damien Lecarpentier, Head of EUDAT CDI Secretariat

9:30 - 10:30 - Questions & Discussion
