

EOSC-hub & OpenAIRE-Advance

FINAL PROGRAMME | REGISTRATION | POSTERS & DEMOS | VENUE & ACCOMMODATION

Research communities & the CDI

Let's meet at: 13:30 - 15:00, Room: Sintra | 24 Jan 2018

Session Chair: Pedro Principe, UMINHO

Objectives:

Present the EOSC-hub and OpenAIRE-Advance projects

More on the session:

EOSC-hub and OpenAIRE-Advance are the two projects selected as part of the recent EC call e-Infra-12 to lay out the technical foundations of the European Open Science Cloud. This session will provide an overview of the projects' work plans and the joint activities being discussed to address some of the upcoming challenges.

Agenda:

13:30 - 13:45 OpenAIRE-Advance: an outline, Pedro Principe, UMINHU ([Presentation](#))

13:45 - 14:30 EOSC-hub & OpenAIRE-Advance: Towards a Joint Technical Roadmap, Mark van de Sanden, SURFsara, EUDAT Technical Coordinator ([Presentation](#))

14:30 - 15:00 Questions & Discussion
