

GÉANT - TNC18 Conference

Where:

Trondheim, Norway

When:

Sunday, 10 June, 2018 to Thursday, 14 June, 2018

TNC is the largest and most prestigious annual networking conference for higher education and research in Europe, with over 700 participants.

TNC brings together decision makers, CIOs, managers, networking and collaboration specialists, and identity and access management experts from all major European networking and research organisations, universities, worldwide sister institutions, as well as industry.

Through keynote speeches by renowned specialists, parallel sessions, demonstrations and presentations, TNC offers participants a unique overview of the latest developments in research and education networking, both in the technical field and in the area of application and management.
