

[EOSC-hub Launches the 1st EOSC-hub Week from 16-20 April in Malaga](#)

Following its kick-off earlier this year, EOSC-hub Week will be organised on 16-20 April 2018 in Malaga, Spain. EOSC-hub Week will have two major parts: the Public Day (16-17 April 2018) and the "All Hands" Meeting (only open to EOSC-hub partners, 18-20 April 2018).

The public day, sponsored by the [EGI Foundation](#), the [EUDAT CDI](#) and the [XDC project](#), welcomes the participation of service providers, representatives of the research communities and policy makers engaged in the establishment of the European Open Science Cloud.

Day 1 kicks-off at 1:30 pm CEST with a keynote presentation by Augusto Burgueño Arjona, Head of the "eInfrastructure" Unit, Directorate General for Communications Networks, Content and Technology (DG CONNECT). The programme comprises of four main tracks dedicated to users, service providers, policy and technology.

Day 2 is structured around specific workshops with several EUDAT-led sessions, such as [EUDAT Data Management solutions for communities](#), [Coupling Data and HPC with EUDAT and PRACE](#), Data & Compute: Joint XDC-EUDAT-DEEP and eINFRA-21 initiatives, etc. To find out more, [click here to view the draft programme](#).

A welcome coffee will be served from 12:30 pm CEST. To attend the public day, registration is required (registration fee: €75). Please follow the instructions below to register to the event.

Please note that the "All Hands" meeting is exclusively open to EOSC-hub partners only.
