

D4.10: Activity Report, year 3

WP:

WP4

Publication Date:

23/04/2018

Deliverable D4.10 reports on the progress and achievements of WP4 since month 24 of EUDAT2020 with respect to task 4.3 “Community Engagement” and task 4.4 “External Research & Standard Organizations Liaison”. It describes the progress that was made with respect to the EUDAT working group process, and the interaction with the EUDAT Data Pilots. In addition, EUDAT’s contacts with the RDA and the ESFRI clusters are described. Since this is the last update of this series, we will provide an overview of the results that were achieved.
