

EUDAT CDI & PRACE Summer School Application & Evaluation Criteria

The banner features the PRACE logo (a circle of stars) and the EUDAT logo (three orange cubes) with the text 'Collaborative Data Infrastructure'. Below this, it reads 'SUMMER SCHOOL' in large blue letters, followed by 'Managing scientific data from analysis to long term archiving' and '23-27 September 2019, ICTP Trieste, Italy'. The ICTP logo is at the bottom left. On the right, a photograph of a coastal city at sunset is shown, with a blue arrow pointing left that contains the text 'CALL FOR APPLICATIONS OPEN'.

[APPLICATION & EVALUATION CRITERIA](#)

Early-career and students applying to the joint EUDAT CDI/PRACE Summer School should satisfy the following criteria:

- Currently engaged in Bachelor, Masters, PhD or Postdoc studies;
- Fluent English;
- Programming skills
- A good knowledge of Python (intermediate/advanced)
- Disciplines (any computational scientific discipline is welcome)
- Basic Linux commands
- Personal Laptop

Applicants should also explain the relevance of their work in reference to the EUDAT and PRACE activities, as expressed by the applicant in answer to the questions related to current and future benefits and follow-up activities. Applications will be evaluated by the EUDAT and PRACE team according to the following criteria:

- Area of interest (as broad a coverage of data management as possible)
- The candidate background and experience - 30%
- Alignment of current research to EUDAT/PRACE vision (see below) - 35%
- Impact of possible adoption of EUDAT/PRACE services within research field - 30%
- Letter of Recommendation - 5%
- Geographical balance (to establish a good geographical representation in the selection)
- Gender balance (to establish a good gender balance in the selection)

Each criterion will be given a score between 1 and 5 and the score will then be weighted according to the above percentages. In cases where applicants have equal scores, gender and geographical balance will be taken into account.
