

D2.2.3 EUDAT Services Rolling Plan 2012-2015 (final)

WP:

WP2

Publication Date:

28/07/2014

This report collects the high-level design goals for the core services of EUDAT's Collaborative Data Infrastructure (CDI) for 2014-2015. It presents individual roadmaps for the five core EUDAT "B2 service families" - B2SHARE, B2FIND, B2STAGE, B2SAFE and B2DROP - and the handful of supporting "central" services - identification, registration, authentication and authorisation, and monitoring.
