## The EOSC-hub week goes virtual, 18-20 May 2020

EOSC-hub and the EOSC Executive Board (EB) are joining the rest of the European scientific community and the world in #flatteningthecurve of the COVID-19 pandemic. This is why the EOSC-hub Week 2020 goes digital.

The [programme is online](#) and the registration for the different sessions will open soon.

This edition hosts the **EOSC Consultation Day**, organised by the EOSC EB to present the latest developments of the EOSC and to gather feedback and input from the EOSC stakeholders on all the latest documents released.

The programme will also include a **poster and demo competition**. Posters or videos need to be submitted by the 8th of May and will be promoted via the EOSC-hub, EUDAT and EGI social media and during the EOSC-hub week. The competition will be judged by a jury of experts combined with an online voting system involving the whole community. The winning poster and demo will be presented during the closing plenary of the EOSC-hub week.

EUDAT has already marked the EOSC-hub week agenda in its calendar. What are you waiting for?
