

Who are the 5 new CDI members? Don't miss the research data annotation webinar, semantic workshop and save the date for RDM by the sea

Last month was incredibly stimulating for EUDAT and its community: we welcomed 5 new CDI members, showcased our services at **IDCC 2017**, and important events coming soon are being planned, such as the upcoming **research data annotation tool webinar**, the **EUDAT semantic working group Workshop** (co-located event with the 9th RDA Plenary) and the **EUDAT Summer School** in July.

Read on to discover all!

[EUDAT launches its first Summer School for early-career data scientists](#)

The 1st EUDAT Summer School is confirmed to take place this Summer 2017, from 3 to 7 July 2017. Set in the stunning landscapes of Crete, it will consist of 5 full days of workshops, presentations, trainings with EUDAT experts...with the perks of the Cretan culture! **[Stay tuned: more information is coming soon.](#)**

EUDAT
SUMMER SCHOOL

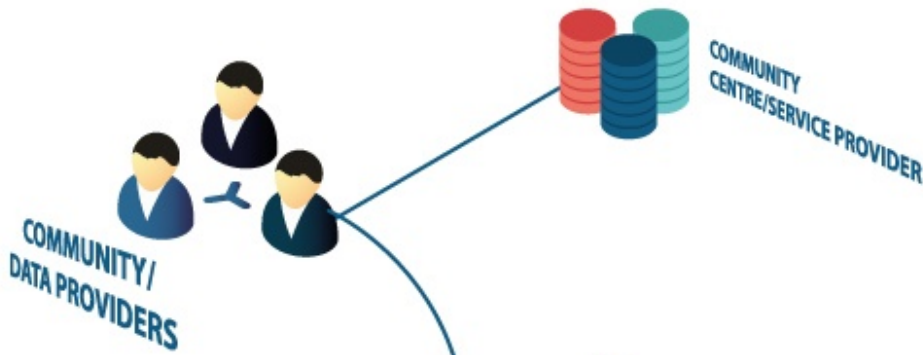

3-7 July 2017 @ Heraklion, Greece

12th International Digital Curation Conference

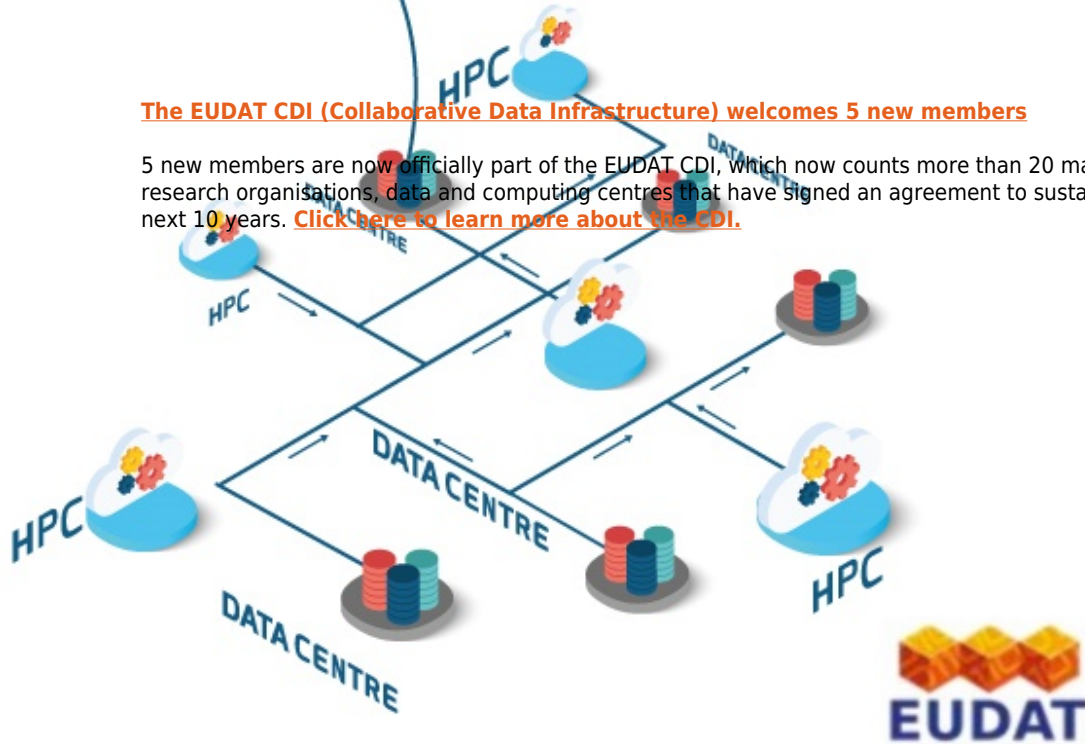

[Discover how EUDAT services can support FAIR Data](#)

From 21 to 23 February 2017, IDCC 2017 took place in Edinburgh, Scotland, offering a rich programme of workshops. In this occasion, EUDAT held the workshop "How EUDAT services support FAIR data", with the aim to explore how our service portfolio can help making data FAIR. [Click here to read more and download workshop material.](#)

[The EUDAT CDI \(Collaborative Data Infrastructure\) welcomes 5 new members](#)

5 new members are now officially part of the EUDAT CDI, which now counts more than 20 major European research organisations, data and computing centres that have signed an agreement to sustain the EUDAT for the next 10 years. [Click here to learn more about the CDI.](#)

Dr. Yann Le Franc

WEBINAR

Organise, retrieve and aggregate
data using annotations with
B2NOTE

[EUDAT Webinar: Organise, retrieve and aggregate data using annotations with B2NOTE, 16 March 2017 at 11:00 CET](#)

Annotate your research data with B2NOTE, the new EUDAT service that allows associating additional information to a file, in a computer-readable format, without changing the file or the data record itself. Join us for the free upcoming webinar on March 16 at 11:00 CET to learn more on B2NOTE! [Click here to read more.](#)

Semantic Working Group 3-4 April 2017

“ How to improve the **discoverability**

and the **interoperability of multi-disciplinary scientific semantic resources?** ”

[EUDAT Semantic Working Group - Co-located Workshops with 9th RDA Plenary, Barcelona 3-4 April 2017](#)

As part of RDA 9th Plenary in Barcelona, EUDAT will host a co-located Semantic Working Group on 3-4 April 2017 to improve the discoverability and the interoperability of multi-disciplinary scientific semantic resources. [Click here to read more.](#)
