EUDAT Collaborative Data Infrastructure

Data shared and preserved across borders and disciplines

EUDAT Conference 2026

Data in Motion: Powering AI Across Europe's Supercomputing Infrastructure

Chair: Martin Golasowski (IT4I)

6 talks about technologies and use cases in AI, HPC and Data management

- **iRODS as a vital part of the data management ecosystem**
  Terrell Russell (iRODS)
- **LEXIS Platform and LUMI AI Factory**
  Martin Golasowski (IT4I)
- **AI Training application**
  Tomáš Martinovič (IT4I)
- **From Samples to Algorithms: Building Infrastructure for Biomedical AI in BBMRI-ERIC**
  Petr Holub (Masaryk University, BBMRI-ERIC)
- **OpenWebSearch.eu and its recent developments**
  Saber Zerhoudi (University of Passau)
