DI4R 2016 CALL FOR PARTICIPATION

12 APRIL 2016 | **GENEVIÈVE ROMIER**

The **Digital Infrastructures for Research (DI4R 2016)** will be held in Kraków on 28-30 September 2016. The conference is organised jointly by **EGI**, **EUDAT**, **GÉANT**, **OpenAIRE** and **RDA Europe**.

The Programme Committee is inviting "all the stakeholders including funding agencies, the research communities and the infrastructure providers, both public and private, to come together and share their insights, concerns, needs and vision for the future."

The **call for participation** is now open.

Dates and deadlines

6 April – Announcement of the Call for Participation
1 May – Online submission opens
3 June – Deadline for submission (full sessions, single presentations, demonstrat
