

EUDAT Conference On EOSC, 22-25 January 2018

Submitted by torillh on Mon, 12/18/2017 - 10:22

EUDAT organizes the conference "Putting the EOSC vision into practice" in Porto, Portugal, late January 2018. The conference will present latest trends in data infrastructure and data management solutions for research, demonstrate solutions developed by EUDAT for specific user communities, present the newly established EUDAT Collaborative Data Infrastructure (CDI) and discuss the establishment of the European Open Science Cloud (EOSC) and the European Data Infrastructure (EDI). See [Conference Program](#) and register [here](#).
