EUDAT Call for Data Pilots

23/09/2015

Dear users,

with this email we would like to inform you that the deadline for submitting storage requests through the EUDAT Call is approaching (October, the 9th). CINECA contributes to the call with a significant amount of storage resources and it is willing to support you throughout the preparation of data proposals.

For any further information please visit (<http://eudat.eu/eudat-call-data-pilots>) or do not hesitate to contact us.

Best regards
